An Invitation to Exhibit

The Building Officials Association of South Carolina (BOASC) invites your company to participate as an exhibitor at our 76th Annual Conference. The conference is an excellent opportunity to meet key officials representing South Carolina counties, cities, and towns while introducing attendees to the products, services, and solutions your company provides.

BOASC provides training focused on the challenges of administering and enforcing building and related codes. Exhibitors are an important part of the conference experience and help attendees learn about products and services that can advance construction practices throughout South Carolina.

Why Exhibit?

- Meet building officials and other code professionals from jurisdictions across South Carolina.
- Introduce your company during Monday's conference sessions and showcase your products and services.
- Network with attendees during conference activities and exhibit hours.
- Receive two tickets to the Tuesday evening banquet with your exhibitor registration.

SPONSORSHIP & DOOR PRIZE OPPORTUNITIES

Companies may sponsor a meeting, break, reception, banquet, hospitality room, or provide a door prize. Sponsor names will be recognized in the conference program and on event signage.
